Hi All

It's hard to believe we are rapidly approaching halfway through our club season.

The recent great weather has allowed many to get out and I hope it continues and we have a bumper summer season.

I'd like to welcome all our new members who have joined us this season and look forward to the chance to fishing with you on the beaches over the summer.

A big thank you Jenny and those involved in yet another successful Bottle-O Moki 1000. With 380+ entrants and a good haul of fish over the scales this competition goes from strength to strength. Loyal sponsors providing great prizes and give aways make this the competition to fish in the lower north island. Well done team.

The new format for some of the summer season weekends of fishing together at the same beach had a very successful first run at Otahome Beach on the Waiarapa coast.

This new approach looks to be popular so don't forget to come along and enjoy each other's company.

On behalf of myself and the FSC committee I'd like to wish everyone a safe, enjoyable and relaxing Christmas and hope everyone has a chance to get out and wet a line.

Cheers

Todd
