General News:

Hello fisho's and welcome to the October edition of the newsletter for the Feilding Fishing Club.

Don't forget that subs were due end of May. If you want your points to count Please pay them now. The bank details are: 01 0625 0147731 00.

Last month's meeting that was held at Hunting & Fishing we had a fairly good turnout of clubbies and it was good to see that we had some new faces and some ex club members turn up, with all stocking up on gear for this upcoming summer. The Team at Hunting and Fishing looked after us, as per usual with staff answered questions on gear, the mouthwatering BBQ venison paddies, a beverage and some awesome give aways. Well done to Marcus winning the lucky draw and now owning a mighty flash beach chair.

Thank you to the club members who put this event together for the club it was great!!

THANK YOU HUNTING AND FISHING for having our club come and visit.

If you have any news you would like to share at any time feel free to email me: aspackman@xtra.co.nz

Beach Clean up:

Beach clean up was held on Sunday 17th September
We had met at Scott's Ferry carpark at 10am. Loaded extra members kids and dogs in our 4x4's equipped with caged trailers and headed north towards the bombing tower. With a slight breeze to the face we all managed to get a decent amount of rubbish loaded even seeing some seal pups

Summer Fishing No1.

Our summer fishing has started with the local beaches not being very clean. A few of our members fished down at Ngawi.

Gary Phillips Spiny Dog x5 Red Cod x3

Todd Smith Spiny Dog x5 Red Cod x3

Joe Lumsden Red Cod x2 Spiny Dog x2

Fished but didn't catch anything

October's Meeting

Octobers meeting is going to be held at Spackman's garage. We are going to have another session on making sinkers. We did this last year and it was very successful. Everyone is welcome to come along. Start time 7.30pm.

The club is looking into purchasing some sinker moulds.

Dry Casting

It was decided at the last committee meeting that we would hold the dry casting in November when we would have a bit more daylight, still at Brent Rolston's farm.
